

ISO 14001 Environmental Policy Statement

Type of Business: Commercial Vehicle Agent – (DAF and Fiat Franchise). The supply of commercial vehicles, parts and repair, painting and servicing of commercial vehicles, cars and vans. This policy is mandatory for all locations and activities within Adams Morey Ltd.

- 1.1) We recognise that our operations have an effect on the local, regional and global environment. We shall ensure that all staff are trained in our environmental management policy and given guidance in its implementation.
- 1.2) To this, the management are committed to continuous improvements in environmental performance and the prevention of pollution. The Managing Director is responsible for the implementation and monitoring of this environmental policy and associated procedures.
- 1.3) Current environmental regulations, laws and codes of practice shall be the minimum permitted standard of environmental performance.

- 2) We shall dispose of all waste in a responsible manner, ensuring that we always comply with the Duty of Care Regulations. Any services used for the storage or disposal of waste shall be checked to ensure that the appropriate licences are held.

- 3) If any notice or prosecution related to a breach of environmental legislation is served against the business by the Environment Agency, a local authority, or another regulatory body, we shall immediately notify the Head of Compliance, who will in turn advise the Managing Director and Board of Directors with full details of the incident.

- 4) We shall, where possible, use suppliers who are willing to take away packaging for re-use or recycling and will consider the environmental impact of all purchases.

- 5) We shall endeavour to reduce the energy and water consumption of the business and minimise CO₂ emissions. We shall move to invest in improved energy efficient products across the business and investigate environmentally safe and sustainable energy sources.

- 6) We shall ensure that dust, noise and odour do not cause a nuisance to the community surrounding each place of business or site on which we are working.

- 7) We shall seek to reduce waste production and aim to achieve 100% recycling of waste materials.

- 8) In the office environment, paper will be used sparingly, with measures to re-use and recycle waste paper, and the increased use of electronic communication to reduce the need for paper use.

- 9) We shall ensure that no polluting matter enters surface waters or groundwater from our premises.

- 10) We shall use sub-contractors and suppliers who comply with the requirements of our environmental management policy, assisting them to comply with the environmental laws and regulations with regard to our operational needs.

Each employee of Adams Morey Ltd is charged to exercise their responsibility on behalf of the company regarding environmental control. Site Managers are responsible for ensuring that the intentions of this policy statement are diligently carried out across their respective branches. Overall responsibility for all environmental aspects and impacts lies with the Managing Director.
